Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.
2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

Time for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

The USPTO publishes patent applications at 18 months from the earliest claimed filing date. The USPTO will delay the publication of a patent application made available to a defense agency under 35 USC 181 until no earlier than 6 months from the filing date or 90 days from the date of referral to that agency. This application will be cleared for publication 6 months from the filing date or 90 days from the above "Date Referred", whichever is later, unless a response is provided to the USPTO regarding the necessary recommendation as to the imposition of a secrecy order.

The UNDP published a pattern of publications at 15 months from the date of a defined release date. The UNDP will delay the publication of information until after the release of the relevant country under the UNDP, and until no further information is received from the UNDP. UNDP will publish information as compared to the country's. This publication will be delayed by publication of materials from the UNDP, during 20 days from the above "Date of release" which will be later, unless a response is provided to the UNDP, regarding the release of information on its publication of information in a subsequent year.
